*Fundraiser additional show: This show is “in the works”. More information to follow.*

*After thinking more about doing an additional fundraiser small pieces show, I have decided to only do one of these in 2017 and it will be in conjunction with the last show, “Bountiful” (August 12 –September 30). This gives us some time to figure out the details! And you know, there is only so much space and time.*

*I am considering using a frame for this show rather than a canvas or board (as I suggested earlier). I am working on locating small square frames with plexi or glass included. Firefly would be donating the frames for the show. The frames would be premade and ready to go. Your work would fit in this frame. You can use the glass covering or not. Hopefully the frames allow for pastels and watercolors in addition to oils, mixed media, and acrylics. We want the show to have a uniform look. When the pieces sell, the frames go to the buyer. If a piece is not sold, the work can be removed from the frame and will be returned to the artist. The pieces would retail for 100.00. The artist would be donating the artwork, Firefly would donate the frames, all the sales proceeds would be donated. We hope to have 20 pieces minimally. More later when frames are available. Please consider this opportunity to raise some dollars for a fabulous local organization that provides space for people to raise their food and gives food away to people who need it.*

*\*\*\* Note: this fundraiser show is in addition to the regular art show “Bounty” above” So consider painting two pieces. And we will have to have an art party!*
